Stop the Talking in Shul!

פחד נורא!

Don't step into that shul ever again!!

"Several years ago" he began "I was diagnosed with a serious case of cancer, and the doctors had no hope for me. They told me that it was just a matter of time. Shattered, I went to Rav Avigdor Miller *zt"l* to ask him for a *bracha*. Where do you daven? He asked me. When I told him where I davened, he asked, do they talk during davening there? I admitted that they did.

DON'T STEP INTO THAT SHUL EVER AGAIN!!! Rav Avigdor instructed. Even if you daven perfectly, your Tefillos are trapped by those people who talk during davening, and they cannot ascend to heaven!

Look for another shul where they don't talk!

I followed his advice, and several weeks later I went back to the Doctor — they thought I was a different person. **THE CANCER WAS DISAPPEARING!**

(Told by Hagaon Av Bes Din Lemberg Shlita who heard it first hand)
