# Stop the Talking in Shul!

*The Zohar in Achrei Mot writes:*

"Because of three things we are still in galus. Because they disgrace the Shechina, they turn away from the Shechina, and they act impurely in front of the Shechina."

**Since our shuls are a place where the Shechina rests, inappropriate idle talk in Shul is enough reason to keep us in galus.**

***When will we  
get the message?***
