

Stop the Talking in Shul!

It says in the Sefer Ahavas Chaim:

Any sin that a Jew will commit, the nations of the world will have a “Kitrog” against us, (an accusation), saying that we have sinned. Hashem will immediately come to our defense saying that the nations of the world have done much worse. But if we don’t treat our shuls with respect, and act inappropriately by talking during davening, we will not have a defense, because the nations of the world treat their houses of worship with more respect than we do.

**IF YOU ACT “OFFENSIVE” IN SHUL,
YOU WILL LOSE YOUR “DEFENSE”
IN HEAVEN!!**

Klal Yisroel needs defenses.
We can’t afford to be without one!!!
